Lydia E. Pinkham's Vegetable Compound

Chicago, Ill.—"I was troubled with falling and inflammation, and the doctors said I could not get well unless I had an operation.
I knew I could not stand the strain of

I knew I could not stand the strain of one, so I wrote to you sometime ago about my health and yeu told me what to do. After taking Lydia E. Pinkham's Vegetable Compound and Blood Purifier I am to-day a well woman."—Mrs. William Ahrens, 988 W. 21st St., Chicago, Ill. Lydia E. Pinkham's Vegetable Com-

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotics or harmful drugs, and to-day holds the record

for the largest number of actual cures of the largest number of actual cures of female diseases of any similar medicine in the country, and thousands of voluntary testimonials are on file in the Pinkham laboratory at Lynn, Mass., from women who have been cured from almost every form of female complaints, inflammation, ulceration, displacements, fibroid tumors, irregularities periodic pains backache. irregularities, periodic pains, backache, indigestion and nervous prostration. Every such suffering woman owes it to herself to give Lydia E. Pinkham's Vegetable Compound a trial.

If you would like special advice about your case write a confidential letter to Mrs. Pinkham, at Lynn, Mass. Her advice is free, and always helpful.

DELFT EMBROIDERY.

Smart Effects For Use In Summer Cottages.

attractive in its cool dullness of tone for the summer room. It is nearly all worked in dull blue of several shades upon a sort of coarse butcher's linen so nearly white that it can scarcely be called cream.

lighter of the three shades of blue and so." drawn up with corresponding ribbons. It must be remembered that the choice of color is as important a factor

TO HOLD DARNING.

in this work as is the design if the finished product is to resemble delft

Varying but slightly in idea and general effect, the two bags show each a different little Dutch figure, one of them knitting, the other merely a face and both of them done in a combination of stitches, including outline, solid, skeleton, cat stitch and laid work.

Commissioner's Sale.

Breckenridge Circuit Court, Ken-Cloverport Real Estate and Improve-

ment Co., Plaintiff. Against Widow and Heirs of J. E. Keys, De-

fendants.

By virtue of a Judgment and Order of Sale of Breckinridge Circuit Court, rendered at October term thereof, 1910, in the above cause, for the sum of \$200 with interest from November 1, 1905, until paid, and also the further sum of \$138 78 with interest from November 19, 1908, until paid; subject to the following credits: Sept. 19, 1908, \$1 45; Nov. 16, 1908, \$4; Dec. 16, 1908, \$4; June 16, 1909, \$4; Feb. 16, 1909, \$4: March 15, 1909, \$4; Abril 15, 1909, \$4; May 15, 1909, \$4; and all costs herein, I shall proceed to offer for sale at the Court-House door in Hardinsburg, to the highest bidder, at Public Auction, on Monday, the 28th day of November, 1910, at one o'clock p. m., or thereabout (being County Court day), upon a credit of six and twelve months, the following described property, to-wit: Lot No. 40, in Breckinridge Addition to the City of Gloverport, Ky., having a frontage of 64 feet on front or First street, and running back between parallel lines, S. 13, E. 165, forming an oblong square, 64 by 165 feet; bounded on the North by Front and First street, on the East by lot No. 39, on the South by an alley, and on the West by lot No. 41; being a part of the conveyance to the grantors hereof by Ernest A. Read and Jane Read, his wife; John Wm. Brigstock and Emma May

same to be sold as a whole. The purchaser, with approved surety or securities, must execute bond, bearing legal intesest from the day of sale ing legal intesest from the day of sale until paid, and having the force and effect of a judgment. Lein retained to secure payment of purchase money. Bidders will be prepared to comply promptly with these terms.

Approximated debt, interest and cost \$446.03.

LEE WALLS,

They are used to their best advantage in the carrying out of each part of the design, as are also the several

Dutch figures similar to these are carried out in a whole line of art needlework, including larger bags for the family mending, laundry bags, bed-

room hangings and couch cushions. A prominent feature throughout the whole lot of this delft blue fancy work is the standing or seated figure of a woman knitting. She is characteristic of her country-a thrifty housemother providing for her family by primitive means.

All of these figures are treated by that method known to the decorative artist, a method that outlines its most

A KNITTING BAG.

impressive parts with a single darker line. In this case it is accomplished by outlining.

One of the bags is intended for darn ing, one for knitting, and like designs may be applied to all sizes of workbags on to many pieces of linen for use in the bedrooms of summer cottages.

What A Famous Editor Says

The editor of the Taylor-Trotwood Magazine wrote to one of his frients Delft embroidery is new and is most these words, "You ask me to notify you if I saw an opportunity for a safe investment, I have it for you. I never knew until now what a good opportunity for zine afforded. You ask me to let you road from time to time and frequently hickory nut.

> who desire to be a stockholder and a ing heavy loads over. What I mean Spread it over the road about two or Life Subscriber to the Taylor-Trotwood by a gravel road is screened gravel or three inches deep and repeat during value \$10.00) and a perpetual subscription to the magazine, both for \$10.

Let us have your order now. This opportunity is limited. Write Taylor-Trotwood Publishing Co., Nashville,

product in the manufacture of wood pulp, is being used in parts of New York to make a road surface. The experiment is being watched with interest.

For the Tea Drinker. Those women who are fastidious in regard to their ten will be interested in a new teapot that seems to have reached perfection. It is simple too. Inside the pot there is a tea ball, its chain passing through the knob on the cover of the pot. This ball is filled with tea and is drawn up into a hollow in the cover.

Brigstock, his wife, by deed dated 14th day of July, 1905. Recorded in deed book No. 56, page 440, Breckinridge County Clerk's office. Said property not heing susceptible of division, the text of the pot. and the steam arising from it moistens the tea. After a few minutes the ball is lowered into the water. then raised when sufficient strength has been extracted-all this without

lifting the lid of the pot. Price in polished copper or nickel, \$5.

"I have been somewhat costive, but Doan's Regulets gave just the result desired. They act mildly and regulate the bowels perfectly,"-George B. Krause, Commissioner. 306 Walnut Ave., Altooua, Pa.

The Famous Rayo

Gives the Best Light at Any Price

When you pay more than the Rayo price for a lamp, you are paying for extra decorations that cannot add to the quality of the light. You can't pay for a better light, because there is none. An oil light has the least effect on the human eye, and the Rayo Lamp is the best oil lamp made, though low in price. You can pay \$5,\$10, or \$20 for some other lamp, and although you get a more costly lamp, you can't get a better light than the white, mellow, diffused, unflickering light of the low-

Has a strong, durable shade-holder. This season's burner adds to the strength and appearance. Made of solid brass, nickeled, and easily polished. Once a Rayo User, Always One

GRAVEL ROAD CONSTRUCTION

Two Economical Methods Described by an Expert.

VERY LITTLE SAND NEEDED.

Screened Gravel Is the Most Suitable Material to Use-Winter Treatment Considered the Cheaper-Advice on the Mending of Highways.

Representative William W. Cocks of satisfactory, tells how they can be constructed economically.

sand as possible.

One is by the formation of a trench, treating it very much as we do a road for macadam and then putting in the a great many people in mending roads, gravel about eight inches deep mixed in my judgment, is that they endeavor with a little loam or clay, and I be- to patch up the road instead of plow lieve that now it would be wise to put ling it up and letting the whole mass some tar on the top course. In the settle at once. Some people have an construction of this road I would lay it in two courses, provided I were going to use tar in the upper course. There would be some difficulty in getting a gravel road to pack if it were laid in eight inches thick, and it should be done in the winter time unless one expects to haul a good dear of water and use a roller. By far the most economical way to build a gravel road is to spread about two inches on the ordinary surface of a road that has been previously cleared of all dead and

"I write to tell you the good news that Cardui has helped me so much and I think it is just worth its weight in gold," writes Mrs. Maryan Mar-

shall, of Woodstock, Ga. "I do hope and trust that ladies who are suffering as I did, will take Cardui, for it has been a God's blessing to me, and will certainly help every lady who is suffering.'

The Woman's Tonic

No matter if you suffer from headache, backache pains in arms, shoulders and legs, dragging-down feelings, etc., or if you feel tired, weary, worn-out and generally miser-able—Cardui will help you.

It has helped thousands of other weak, sick ladies and if you will only give it a trial, you will be thankful ever after.

A GRAVEL ROAD.

[From Good Roads Magazine, New York.] worn out material that would never pack again and then plow the road Long Island, who has built several and put the gravel on about three or gravel roads and has found them very four inches deep and just allow the traffic to work it in and have a man continuously along the road for two "To the minds of most people," he or three weeks with a rake to fill in says, "when we speak of a gravel the ruts and pick out any of the too road comes the idea of coarse sand, large gravel stones, as the top surface a money making investment this maga- such as they have seen dumped on the should contain no stones larger than a

Ail of these bags are faced with the in on the ground floor and I am doing in such quantities that it did not mix "Another method of constructing there was a soft, sandy road, which is economical would be to spread the This same opportunity is given all the worst road in the world for haul- gravel on in November or December. Magazine. One share of stock (per gravel that may be found in some the winter as the traffic works it into construction without screening, but it we have a road that would get muddy should not contain over 10 per cent of in the winter time and one that would sand in most instances unless one have a clay or loam bottom or a large were to use a very thin coat and over percentage of loam. If we are to deal a road that was of very deep loam, with a sandy road it will be necessary when it would be well enough to allow to put a considerable percentage of a little larger percentage of sand, but clay or learn with the sand prior to otherwise I prefer it to carry as little the spreading of the gravel. I have built quite a number of pieces of road "There are two methods in which in this manner, by putting the gravel this kind of road could be constructed. on during the winter, and they have been very satisfactory

"One of the greatest difficulties with idea that traffic will make a road level and some of the coarse gravel, but if the material is not evenly spread or the road not properly graded when it is constructed it will grow worse-that is, more uneven-as time goes on. It is time well spent in the grading of a new road to go over it innumerable times with a road machine in order that the grade may be made perfect in the beginning, and I know of a great many roads in Nassau and Suffolk counties. New York, now which, if they could be plowed up and have a little sand put in some places and a little loam in others, then be thoroughly graded with a road machine and have a little gravel added during the winter. would be good all the year round for wagons or automobiles, and if they were oiled they could be rendered just as dust proof as a macadam road.'

Children Cry FOR FLETCHER'S CASTORIA

SOME SMOKE AT MICHIGAN.

University Student Heavy on Tobacco, Also Chewing Gum.

A student in the University of Michigan who has a mania for finding out about everything on earth has just made the rounds of the different places where cigars, tobacco and cigarettes are sold and has found out that students at the university smoked in 1909 132,210 cigars, 33,180 boxes of cigarettes, 52,000 packages of smoking tobacco, including 30,000 packages of cigarette tobacco: 7.000 packages of cigarette paper and 6,850 cuts of chewing tobacco

There were also sold 77,440 packages of chewing gum and 100,000 bars of nut chocolate, presumably consumed by the co-eds.

Texas Empire In Size. None of the monarchies of Europe, with the exception of Russia, can show a larger area than that of Texas. She possesses 57,000 square miles more of territory than the kaiser's realm.

Vienna Closely Populated. Forty-three per cent of the families of Vienna live in a single room each.

Real Estate Department

Do you want to buy a farm or business? If you do you may find just what you need in this department. If you are interested in any of the following proprieties write us at once for owner's name and address. If none of these places suit you, write us at once telling us what you want and where you want it and let us introduce you to the man who has the very property you are looking for.

We recommend the following properties as being productive and fair in price.

Do You Want to Sell your farm or business? If you want cash for your property, send price and description at once and let us show you how we bring buyer and seller together.

This department is conducted solely for the purpose of enabling buyers and sellers of farms or business proprieties to make quick sales

Jno. D. Babbage.

EAST

\$950 67 acres, 3½ miles north of Hardinsburg, near the Brandenburg road. Well watered, plenty of timber for improvements. Double Log house, small stable. Good rich land, fine for Birley tobacco. Terms easy. For further information write Jno. D. Babbage, Cloverport, Ky.

\$3,300 140 acres, 2 miles from Guston, 3 miles from Irvington; well watered: lays well; good young orchard; good timber; on rural route; school house few yards fro n house; improvements; good four room dwelling with kitchen on back porch; two good barns; barn and tenent house and cistern back in the ficid; meat and hen house; wood shed; will sell on easy payments; plenty of small fruit. Further particulars address Jno. D. Babbage, Cloverport, Ky.

FOR SALE—A farm containing 250 acres and all under fence. A nice cottage of five [5] rooms, two cisterns, a walled cellar with a store room over it, two good stock barns; one tenant house; about 500 apple and peach trees, also pears, quinces and apricots; most all kinds of small fruits, including a nice vinyard of choicest grapes; 200 acres cleared, balance in woods. 125 acres in grass; several groves of black locust sufficient for posts to wire the whole farm in. It lies near Ekron wire the whole farm in. It lies near Ekror on L. H. & St. L. R. R. price is \$5,000 or long and easy payments.

\$2,000 For 160 acres four miles; west of railroad; all fresh land; 100 acres in cultivation; 50 acres in grass; will produce the best corn, wheat and tobacco in neighborhood; plenty lasting water, well at door of dwell-

HAVE you ever tried to sell your old; clothes? The only way you can sell them is to talk about them, show them and keep after the person until you get the money in your pocket-book. It's the same way with everything else-you have to talk about it before you can sell it-and the best way to be heard is through the home paper. Put an ad. in the want column at 1c a word, an ad. in the locals at 10c a line and you will sell that old stove, that baby buggy or gasoline engine. This can be done through
